# **VEHICLE DESCRIPTION FLASH CARDS**

## **OBSERVATION SKILLS**

### **WISE WITH YOUR EYES**

These flash cards are an important part of teaching be wise with your eyes.

These vehicle description flash cards are a great tool when teaching about make, model and color of vehicles.

You can use the cards in various ways:

- You can simply show a card to the students and ask them to describe the vehicle, ask what color it is or what kind of vehicle it is..
- You can also display the flash card to the students, then hide it. Ask the class what they remember about the vehicle.

These cards are very flexible in the lesson.
